

alumni.  
feel connected.

## Have you just graduated?

Then you immediately become an alumna (that's what we call our female graduates) or an alumnus (that's what we call our male graduates). This also applies if you wish to continue studying after your (initial) graduation.

## Congratulations!

*Stay connected with TU Graz  
as an alumna / alumnus!*

*I pledge to serve science and  
promote its goals, and thereby  
to contribute to solving the  
problems of human society and  
supporting its advancement,  
and to retain my links with  
Graz University of Technology.*

# alumni. feel connected.

## What can you expect from us?

- Did you write a particularly interesting degree thesis as part of your course? Convince us! Submit a one-page presentation to our sponsorship prize on [tug2.tugraz.at/foerderpreis](http://tug2.tugraz.at/foerderpreis) and you could win a lot of money! The prize money totals some 10,500 euros each year!
- Are you based abroad and need a certificate? Simply download it from your alumni account at TUGRAZonline.
- Do you need a CV for an application? Make use of our CV tool at TUGRAZonline! Use your personal career profile to secure job offers you may never have considered!
- Want to continue to access your student mailbox, even though you have left TU Graz? Confirm your membership of the alumni association in your alumni account at TUGRAZonline and obtain your personal alumni email address to secure lasting access to your student mailbox.
- Interested in our talks and networking events? Read our regular announcements and choose whether you want to be informed by email or letter.
- Looking for a network of women where you can exchange personal and professional ideas? Take part in our **WomenUniverse!**
- Missed the last talk? There is a good chance that it will be available to view on our video platform at [alumni.tugraz.at/watch](http://alumni.tugraz.at/watch).
- Want to know what's new at TU Graz? Read our regular newsletters, emails and e-papers.
- Not from Austria or moving abroad? Join our international 'alumni eXtended' network.
- Want to find out more about the history of TU Graz and our past graduates – perhaps even from your own family? Browse through our history database at [history.tugraz.at](http://history.tugraz.at).
- Do you have relatives or ancestors who studied at TU Graz? Tell them about our reunions (annual celebrations to mark 25/50/70 years of graduation).
- Are you an avid ball-goer? Purchase discounted admission tickets for the annual Ball der Technik at [balldertechnik.at](http://balldertechnik.at)!

## What do you need to do to take advantage of all these offers?

### Nothing at all!

- Use your alumni toolbox to gain an overview of the services offered by TU Graz. You can access your alumni toolbox via your alumni profile at TUGRAZonline.
- If you do not wish to make use of certain services, adjust your settings accordingly in your alumni toolbox at TUGRAZonline.

### If you wish to make a change

You can change your contact details (post, email, telephone) in your alumni toolbox. To change your name or title, email [adresse@tugraz.at](mailto:adresse@tugraz.at). You can also email this address if you do not wish to access any services or do not want to be contacted for personal reasons.

### Registering with the alumni association, rules of membership

Some of the services listed in your alumni toolbox (for example, continued access to your student mailbox and use of an alumni email address etc.) require you to be a member of alumniTUGraz 1887. – The costs are covered by the TU Graz Rectorate as follows:

When you graduate from a course, you are entitled to access all services provided by the alumni association **free of charge** as a full member for the rest of the current year and for the next two calendar years. This period restarts each time you graduate from a course.

Once this two-year time period has passed, you will receive an **initial invoice** from the alumni association for your membership fee (currently 26 euros per calendar year, or 11 euros per calendar year if you are still studying at this time). If you make the payment, you will retain your membership. Otherwise you will lose the right to these benefits and we will inform you accordingly.

If you wish to **withdraw** from the alumni association or have any questions, please email [members.alumni@tugraz.at](mailto:members.alumni@tugraz.at). Don't worry – if you withdraw after receiving your first invoice, you will not incur any subsequent costs.

## Our unique selling point

More than 80% of all living graduates remain in contact with TU Graz, currently amounting to over 35,000 alumni in Austria and abroad.

All graduates from all years will be searchable in the TU Graz alumni index from 2024.

TU Graz is home to Austria's oldest alumni association, founded in 1887, with over 3,000 paying members, plus more than 1,000 members based on contractual cooperations (APV, OIAV Steiermark, OVE, WING), and lots of free members who have just completed their studies, like you! Welcome!
